

# SDG&E: THE CLEAR AND CLEAN CHOICE FOR SAN DIEGO'S GAS AND ELECTRIC FRANCHISES

**SDG&E is the best positioned and most qualified to deliver the clean, safe and reliable energy that San Diegans depend on.**

**#1**

Nationally reliability performance

**44%**

Spend with diverse businesses

**100%**

### RENEWABLE ENERGY BY 2035

SDG&E is helping San Diego achieve its 100% renewable energy target by 2035, 10 years ahead of California's statewide goal

**15**

### STRAIGHT YEARS

receiving "Best in the West" award for electric reliability

**24/7**

Gas and electric emergency response crews

**40%**

### CLEAN ENERGY

from the sun and wind (nearly 4x the national average)

## Committed to building a more sustainable future for the City of San Diego

Steadily evolving our robust wildfire mitigation operations

Implementing an aggressive vehicle electrification plan

Managing our natural gas system to reduce leaks

Innovating our grid to reduce emissions

Expanding our clean technology portfolio with energy storage, microgrids and hydrogen

Dedicating ourselves to environmental stewardship, including no coal contracts

Advancing Zero Emission Transportation by expanding EV charging network

## SDG&E has a proven track record of promoting safety and empowering working families

Prioritizing local job growth and organized labor

**4,400**

highly-trained and certified employees who operate and maintain San Diego's grid and are invested members of the community

## SDG&E is an engaged and proud member of San Diego's communities

Supporting hundreds of community-based non-profit organizations in San Diego and Southern Orange counties whose programs benefit underserved communities and accomplish the following:

Develop environmental champions who are informed and engaged in climate change and clean transportation solutions

Advance public safety programs that enhance emergency preparedness, response and recovery plans, and strive for resilience during emergencies and disasters

Inspire future leaders and develop the next generation of innovative, diverse and talented members of the community to drive economic growth and success

**WE LOOK FORWARD TO BUILDING ON OUR PROUD, 140-YEAR RECORD OF PROVIDING CLEAN, SAFE AND RELIABLE ENERGY TO SAN DIEGO**
